

A BRIEF INTRODUCTION TO THE UWDC USER INTERFACE

The State of Wisconsin Collection

****always use your permanent URL****

*The State of Wisconsin Collection's permanent URL is
<http://digital.library.wisc.edu/1711.dl/WI>*

The State of Wisconsin Collection is comprised of:

A) Two databases:

1) The multimedia and bibliographic database

Keyword searching of Images, audio, video, bibliographic citations

2) The electronic facsimile database (a.k.a. "Page-turner database")

Full-text searching of books, pamphlets, letters, diaries, etc.

Each database has its own help file.

B) Static html pages:

1) Collection home page

2) Collection copyright page

3) Collection about page

4) Usage statistics link

5) Text Reprints link

6) Project home page

b) Additions

i) Your library logo (with link to library)

ii) One image to represent your collection

iii) "About" information (one or two paragraphs describing/providing context to the collection)

Database tour
